Weekend of Festivities
in the Tri-Town Area

This weekend holds in store many exciting festivities and events including a handmade arts and crafts fair in Mattapoisett, the Agricultural Rochester Grange Fair, the glorious Marion Antiques Show and patriotic music from the Marion Concert Band with the Sippican Choral Society in a program commemorating World War II on Monday.

If you've got a green thumb and enjoy growing fresh flowers, vegetables, or canning, you won't want to miss the Annual Rochester Grange Fair. If you make a mouth-watering apple pie the family can't resist, bring your baked goods along too.

Rochester Grange number 257 will hold its 85th Annual Fair on August 19 from 2:00 pm-7:00 pm. For those who plan on entering the vegetable and fruit exhibit, here are a few tips to know what the judges are looking for. First they look for the exact number of specimens as called for the in premium list. Secondly, the look for uniformity, each specimen should be like every other in size, shape and color. Next, they look at the quality, they shouldn't be too large or too small. The fruits and vegetables should be free from blemishes, cuts, bruises, insect injury and disease. Finally, the fruits and vegetables should be clean, as one would prepare it for market. There are 32 different vegetable plates including beans, cabbage, beets, carrots, onions, cucumbers, peppers, potatoes, pumpkins, squash, and tomatoes to name a few. Prizes will go to the first and second place exhibits for the largest pumpkin in size, the largest squash in size and the largest Watermelon. Third prize will receive ribbons. Other fruit exhibits will include different types of apples, pears, grapes, quince and cranberries. Junior and 4-H classes will be judged in the canning, fruits, needle work and clothing categories.

For those entering the canned goods exhibit, the products should be of the best quality, uniform in size, and have a good color. The liquids should be clear, free from sediment. There should also be the right amount in each jar. The container should be uniform, clean, properly sealed and labeled. All baked goods should also be properly wrapped, accompanied by a recipe and be attractive, a good color, texture and flavor. For clothing, the judges will examine the condition of the article, suitable construction and workmanship, originality and case of care. Cotton aprons, children's sweaters, adults's sweaters and handkerchiefs will be on display.
Dolls, decorated hats, furniture, small wood decorations, and baskets will also be exhibited for the arts and crafts category. Home furnishings such as afghans, tablecloths and mats, braided rugs, pillow cases and embroidered scarves or centerpieces will also be on display to be judged.

Delicious baked goods such as biscuits, bread, unfrosted and frosted cakes and pies will also be judged. In the flower category, all flowers must be grown and selected and arranged by the exhibitor. Asters, Bachelor button, Dahlias, Gladiolus, and Marigolds, Petunias, and Zinnias will be judged.

As a general rule, all exhibits will be received from 2:00 pm-4:00 pm and from 7:00 pm-9:00 pm on August 18. All entries must be in a half hour before judging starts and no exhibits can be removed before 7:00 pm on Saturday, August 19. All entries must be prepared by whoever is entering them and an exhibitor can only enter once in a given class. New classes may be listed and judged, provided there are three of more entries. As of January 1, 1995 there will also be youth exhibits for young adults, aged 9-20. All undesirable quality exhibits will not be accepted. The Committee and judges reserve the right to reject any and/or all exhibits which aren't on the premium list. Placing will be awarded on basis of quality of each exhibit and the decision of the judges will be final. Only three or more exhibitors will receive cash awards, ribbons will be awarded in all classes. In the canned goods category, the products shown must be of the current year's production, labeling should be uniform, and the jars in each entry should be the same size and type. Some canned goods to be exhibited include asparagus, beans, beets, carrots, peas and many others. At 7:15 there will be an auction of items left over from the fair.

There will be a ham and bean supper at 6:00 pm. Tickets are $5 for adults and $3 for children. Nurses from St. Luke's Visiting Nurses Association will be on hand from 2:00 pm-5:00 pm to give free blood pressure checks to anyone interested. If you have any questions, or would like to enter the fair,

Marion Antiques Show

Some of the finest antique dealers in New England will be seen at the Fourth Annual Antiques Show on Saturday and Sunday, August 19 and 20 from 11:00 am-5:00 pm at Tabor Academy. The Marion Antiques Show has been called "The little gem of New England," because it boasts of quality antiques in a wonderful setting with items for sale in almost every price range. This year the Marion Antiques Show Loan Exhibit will be entitled "A Great Lady Comes Home," and will feature photographs, artifacts and commentary on the life of Elizabeth Pitcher Taber and the many contributions she made to the town of Marion. She was a great visionary who contributed to many municipal projects including the establishment of Tabor Academy, where this antique show is being held. The proceeds from this year's Marion Antique Show will go toward the Sippican Historical Society's capital campaign to purchase and renovate the Post Office and Beauty Craft that adjoin the museum. The purpose is to protect and preserve the historical village center. "We raised money to buy the building (the post office and adjoining Beauty Craft) with the intention of keeping them there," said Frank McNamee of the Sippican Historical Society. "We have already raised money to buy the building, now we need more to finish the restoration of it," he said. In the past the show has been "extremely successful," he added. They have already raised $200,000 but still need about $75,000 to complete the renovations. "The idea is to keep the two businesses there, renovate the buildings, make them handicap accessible and

budget. "I am taking this action because I believe it is in the best interest of Buzzards Bay to move ahead with the implementation process and no longer focus on the divisive issue," he wrote in a letter to Selectmen.

In other correspondence, the board received a copy of the letter sent to the police department from the Governor's Highway Safety Bureau notifying them the department has been awarded $3,954 for the purchase of a Mobile Video Recording Unit. "We would like to remind you of the importance of enforcing the Child Passenger Safety and Safety Belts laws in all traffic stops," wrote a Nancy Luther, an executive from the Governor's Highway Safety Bureau

The board also received a letter urging them to support the New Bedford City Council's vote to request the state legislators to make a mandatory two-year sentence for anyone carrying an illegal gun in the Commonwealth. A copy of a letter sent to the Highway Surveyor, Mr. Bowman, was also received. The letter from Mrs. Slater commends Mr. Bowman for his efforts to improve the road conditions of Oliver Street and Marston Court. "Thank you so much for your efforts to improve the deeply rutted and flooded roads of Oliver Street and Marston Court. You have made the homes on these roads more accessible and safer in the event of the need for emergency vehicles," Mrs. Slater wrote. Selectmen then appointed three woman as part-time matrons

At 8:00 pm Selectmen met with Harbormaster Steve Mach and Doug Cameron from the Public Access Board for the Division of Marine Fisheries to discuss the status of reconstructing the boat ramp. He said all the permits should be finalized in three to six months. "At that point we can advertise the job for construction," Mr. Cameron said. He said they have about $60,000 in the Public Access Board funds for the project. "This certainly falls below that," he said.

He also discusses signs for the new boat ramp for restrictive parking purposes.

A Friendship Quilt

After approximately 500 hours of stenciling and stitching, Kathleen Acker and Leona Mansfield, both members of the Mattapoisett Woman's Club, have created not only a work of art, but a true friendship. Before their nine month long task, they had been acquaintances. Now they share many interests as well as hours together.

The result of their endeavors is a beautiful bird quilt designed by the late Mary Jane Baker, a

YOU'VE GOT A NICE FACE BUT....

Do you know what I consider one of the greatest drawbacks of the seller who tries to sell his own home? The fact that most prospects will not confide their objections to the seller's face. I've found that the great preponderance of buyers are gentle, polite and caring individuals. That's the problem. They don't want to insult you.

You may have the nicest face on the block, but a promising buyer may have abruptly decided that he couldn't afford the price of your home and left. He didn't want to hurt your feelings. On the other hand, price is a subject that they WOULD discuss with our agent (they do it all the time) who could then show them how it could possibly be financed within their means.

A nice prospect wouldn't dream of telling a nice seller that the carpeting was worn or certain rooms need to be repainted. They'd tell this to us though, in which case we could arrange to make minor financial adjustments or repairs and save what could have been a lost sale.

Charity Golf Tournament

The First Annual Charity Golf Tournament will be held on October 13, 1995 at the Kittansett Club in Marion. Designed by Frederick Hood in 1923 , the "links" style course, with a layout that depends on the natural features of the land and a constant wind, rather than artificial obstacles, provides a challenging game of golf. Chairperson of the event this year is Deborah Hynes of New Bedford. Other committee members are James Hughes, Patricia Janiak, Michael Rutkowski, Ronald LaStaiti and Eivind Strand. Proceeds from the tournament will provide YMCA programs to financially disadvantaged youths and families, including the YMCA's popular Camp Massasoit. Entry forms and sponsorship information are available by calling the YMCA at 997-0734. The event is limited to the first 120 paid golfers. Interested golfers are urged to sign up as soon as possible. The entry fee of $150 per player includes golf cart, greens fees and an elaborate dinner with numerous prizes. The tournament is open to men and women.

Local man exhibits paintings

On Thursday evening, August 31, at 8:00 pm, Bourne Knowles and Marion artist Peter C. Stone will delight a Whaling Museum audience with a multi-media presentation of an extraordinary expedition to Antarctica aboard the sloop *Westri*, a prototype Apogee 50. *Westri* was the first U.S. flagged sailboat to venture as far south as the British Faraday Station and the pack ice in nearly 10 years. Following the lecture, there will be an opening of a new exhibit, "*Westri* in Antarctica: Paintings by Peter C. Stone." These en plein air paintings reflect Mr. Stone's adventurous spirit. "En plein air" is an expression used to describe a picture painted out of doors, in which the artist attempts to render qualities of light and atmosphere. The idea was adopted by many Impressionists. Paintings in the exhibition include: *Cabo de Hornos, Green Water, Drake Passage,* and *Isla Deceit*. This large body of work is intended

hormones after menopause may not be a choice made by every woman, but it's essential to understand why hormones are recommended. We will discuss how hormone therapy is prescribed and the benefits, risks, and side-effects of this therapy. The third workshop is alternative choices for managing menopause. We will focus attention in this session on what options are available for women who cannot or choose not to use hormone therapy at menopause. Emphasis will be on nutrition, exercise, medicines and herbs, relaxation techniques and others. The last workshop will focus on how menopause may affect a woman's sexual experience. We will explore the meaning of closeness and connectedness in women's lives and how new feelings about oneself in midlife may affect intimate relationships. Jennifer Prouty, NSN, RNC, has worked in Women's Health for over 20 years. Formerly associated with the Menopause Wellness New Bedford and Family Service Center at Beth Israel Hospital, Jennifer has presented many workshops on issues of importance to women. Penny Pinchers' Exchange

Summer visitors who have not yet visited the Congregational Chapel on Main Street in Marion will want to see this architectural gem when the building is open this month every Wednesday and Saturday. The Chapel is home to the Penny Pinchers' Exchange, a consignment shop begun by members of the church in 1976 to raise money to support the mission work of the church and to help maintain church property. Nearly two decades later the Christian Mission and Outreach Committee continues to benefit from the hard work of the mostly volunteer staff at the shop. Customers who frequent the Penny Pinchers' Exchange are helping to support mission projects in the greater New Bedford area and Habitat for Humanity, and other projects at home and abroad. During the month of August, a half-price sale is held to clear the racks of

OLD ROCHESTER REGIONAL SCHOOL DISTRICT
MASSACHUSETTS SCHOOL SUPERINTENDENCY UNION 55
NOTICE TO PARENTS

Below are the school bus routes for the Old Rochester Regional School District and Superintendency Union 55 for the towns of Marion, Mattapoisett and Rochester for the 95/96 school year. Routes have been modified slightly to accommodate new membership. Any questions regarding the bus routes and stops which effects your child, should be addressed to Andrew J. Santos Associate Superintendent for Business, at 758-2772 or to your school building principal.

The School Committees recommend and appreciate parental participation and support at bus stops prior to bus arrivals.

LATE BUSES

There shall be late 3:30 buses on Tuesday, Wednesday and Thursday ONLY and daily at 5:30 from the Junior and Senior High Schools. Please note that late bus routes as listed have been premised on express services to specific stops in the respective towns. A student riding the late bus can select a stop that is no greater than 2 miles from his/her home. In some instances, this will require prior planning on the part of parents to pick up their child from these predetermined stops.

VIDEO CAMERAS

The School Committees after having carefully weighted and balanced the rights of privacy of students and drivers with the district's duty to ensure discipline, health, welfare and safety of staff and students on school transportation vehicles, authorized the use of video cameras on its transportation vehicles.

Adoptable Animals

Our three adult features this week include a part Maine Coon female. She is salt and pepper coloring-very affectionate- and is now suffering from cage fever. She desperately needs a home with space and love. She is temporarily housed in the shelter in Fairhaven. Our second adult is a large, short-haired buff and white neutered male. He probably would be best in a one cat home situation. His cage time is

also becoming an important factor. The third is another large-neutered male Garfield cat who is all orange long haired. He is a real sweetheart and the victim of a nursing home situation. His owner had to leave him and he is now living outdoors on her property waiting to be adopted. He would be a great in and outdoor cat. Kittens, kittens, kittens!Animal Umbrella has six foster homes bulging with all kinds and colors ranging in age from 6-16 weeks. Our inseparable pair of males-orange with blue eyes-are still hoping to travel together. We also have orange females, calicos, tigers, white and solids. All have been vet-checked, wormed, treated for fleas and ear mites and had first distemper vaccines. Our older kittens, 4-months and up have also been rabies vaccinated. They include a pair of orange males, a pair of tiger and white males with white nose and paws.

If interested in any of these animals, please call one of the local Animal Umbrella representatives (unless otherwise noted):

- Mary Lou at 994-6168
- Priscilla at 758-2896
- Trudy at 990-7806

In the dog house this week is an adorable shepherd cross female puppy about 3-4 months old who was found in a dumpster along the Cape Cod Canal. She is just a bundle of fun and love. If interested in her please call 759-5810, Dr. Murray at the Animal Clinic in Bourne where she is housed. A reminder that the animal shelter in Fairhaven always has cats and dogs waiting for homes. Please call Kristen at 979-4028. She has a wonderful , young, mixed bred female who loves people and other animals who would make a great family pet.

There is also another sad story about a stray cat who has been going to a woman's home in Mattapoisett to be fed. She said he usually shows up at 5:00 am or 4:00 pm for his meals. He's a lovely cat, who wants so much to be loved, but he fights with her other cat. She has been very ill this spring and is afraid she won't be able to feed him any longer. He has received his shots and has a flea collar. He cries outside the window of her room and at times, it breaks her heart. If anyone wants to take in this gray, loving cat please call 758-2223. There are also two kittens, about 4 months old, one gray female and 1 gray tiger male. They have all their shots and desperately need a good home. Please call 763-2474.

The *Wanderer* would like to remind private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change of living arrangements, new babies, or the like. We'll also gladly help you locate any missing pets in Marion, Mattapoisett or Rochester.

Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6), or mail it to P.O. Box 102, Mattapoisett, MA 02739. *Please note: this is only for those who are giving pets away. Any trades or sales must be placed as a paid advertisement.*

Don't miss the opportunity to play the Kittansett Club Golf Course while supporting Tobey Hospital. Enter now to play the 13th Annual Tobey Hospital Benefit Golf Tournament slated for Monday, September 25 at the picturesque Kittansett Club in Marion. The Kittansett course is ranked among the top 100 in the nation. Designed by Frederick Hood, the course opened in 1923. It is a "links" style course, with a layout that depends on the natural features of the land and a constant wind, rather than artificial obstacles, to provide a challenging game of golf.

Co-chairing the event this year are Greg and Nancy Johnson of Wareham. Other committee members are Rosemary See, Marjorie Munro, Diane Perkins, Chris Makepeace, Roland Murphy, Cindy Outhouse, and Sharon Newcomb. Proceeds from the tournament will purchase equipment for the hospital.

A day at Kittansett would make the perfect birthday present. Entry forms and sponsorship information is available by calling the hospital Development Office at 291-3717. The popular event is limited to the first 128 entrants and is usually fully subscribed, so interested golfers are urged to sign up as soon as possible.

The entry fee is $175 per player, which includes golf cart, greens fees, and an elaborate dinner buffet with numerous team and individual prizes. The tournament is open to both men and women.

Zeiterion Theatre's Youth Festival

Peter Gould and Stephen Stearns may have built a better beanstalk. Let the audience decide; the comedy team will present their unique version of the children's classic, "Jack and the Beanstalk" at the Zeiterion Theatre on Wednesday, August 23 at 10:30 am. Gould and Stearns combine dialogue, mime, slapstick and song in this offbeat rendition, involving extensive improvisation and audience participation. While the basic plot is there, the Giant is Jack's father, the hen is a goose in a tutu, and the beanstalk is even more outrageously attired. Before attempting to climb it, Jack innocently asks of the overgrown plant, " Do you have insurance?"

This delightfully droll duo has entertained audiences in 41 states, Europe and Latin America.

St. Luke's Seeks Volunteers

St. Luke's Hospital is recruiting volunteers to fill various positions available at the hospital. Volunteers are a vital part of the hospital's continuing mission of providing efficient and quality health care. Volunteers are needed in offices to help the administrative staff in their daily tasks. Volunteers who work in offices would be asked to file, photocopy, answer phones, and complete other clerical duties. Volunteers are needed weekdays and would have an opportunity to work in various departments. The hospital is also asking for "patient friends." Patient Friends visit newly admitted patients, welcome them to the hospital and provide information about hospital services. Greeters are needed to welcome and assist visitors at the main hospital entrance and at off-site facilities. Radiology and Surgery Center waiting room assistants are also needed to greet patients in the waiting areas and provide patients and families with magazines and coffee. Messengers, who deliver paperwork to various departments, are needed in the laboratory. Volunteers are needed to assist patients at meal time, and aid them in their rooms. Volunteers are needed to work weekdays, evenings or weekends. Anyone interested in becoming a volunteer or would like to learn more about volunteering may contact Janet Koska, supervisor of volunteer services, at 997-1515 extension 2274.

Support for terminally ill patients

St. Luke's Hospice Program is recruiting new volunteers to offer companionship and support to

terminally ill patients and their families. Hospice provides the terminally ill with an opportunity to live their last days of life at home in comfort and dignity. Volunteers complete a 30-hour training program that teaches the history of hospice, listening and communication skills, bereavement and grief, the physical, emotional and spiritual aspects of death and dying and the role of the volunteer. When training is complete, volunteers may spend an average of four to six hours per week with families who are coping with the impending loss of a loved one. Volunteers are asked for a one-year commitment to the program. "It takes a special person to be a hospice volunteer. In return, a volunteer gains a lot of inspiration from the people they care for," said Edie Vaughan, hospice volunteer coordinator. Bilingual volunteers who speak Portuguese or Spanish are especially needed. The training program will meet on Mondays and Wednesday mornings from September 18-October 25. Instruction will take place at St. Luke's Home Care and Hospice Services office, 28 Sconticut Neck Road, Fairhaven. Contact Edie Vaughn at (508) 984-0270 for more information.

Echinacea

Only $7.95 (Reg. $9.95)

Echinacea is the scientific genus name of the coneflower, and the purple coneflower is among the most popular and well known herb extracts in the United States today.

Clinical research in Geramany found echinacea effective against colds and flu, and hundreds of laboratory studies have explored its benefits to the immune system. Echinacea stimulates the production, mobilization and activity of a wide range of white blood cells of the lymphtic system. It also stimulates the production of immunoactive compounds such as interferon and tumor necrosis factors.

control the increasing overpopulation of cats and dogs. We will be operating a community low-cost spay/neuter clinic for the Greater New Bedford and Greater Fall River area and beyond. They will begin by spaying/neutering cats and in the near future plan to include dogs. Their success will enable animals (unowned and owned) to be sterilized at very affordable fees and to educate and reach pet owners and the community at large of the necessity of spaying/neutering cats and dogs and to provide humane education and public outreach. Fundraising and surplus money from the clinic will be used to provide sterilization services for feral or stray animals. The major focus of Animal Advocates is to reduce the unowned animal population. The clinic will provide sterilization services at very affordable fees. It costs $20 each to neuter your cat and to spay your cat. The clinic will be located at 606 State Road, Route 6, North Dartmouth, 1 and 1/2 miles from the Dartmouth Mall. They plan to open on September 28, 1995. The clinic will be operational 2 days a week, Thursday and Friday from 7:30 am-5:30 pm. The phone number is 991-7727. Because we feel the clinic will be a benefit to the animals and the community, we are asking for your support, referrals and donations. Spaying and neutering is the most important thing people can do to solve the problem of pet overpopulation.
